

2017/18 CROSS-DISABILITY KINDERGARTEN INCLUSION COHORT NOW ACCEPTING APPLICATIONS

- Is Kindergarten starting in 2018 for your child with developmental disabilities?
- Do you want to be in the driving seat as a prepared, empowered advocate and team member for your child?
- Do you have a vision of your child in an inclusive kindergarten class?
- Do you live in the Portland Metro area or SW Washington?

The 'KIC' program is a series of 8 monthly interactive and best practices-driven trainings that offer robust foundational skills, tools, and mentorships which are useful throughout the school year.

More than preparing families, 'KIC' builds a community of parents to support each other through their child's transition and beyond. Our facilitators all have 'walked in those shoes' and understand that parents are the experts on their children. We also partner with professionals and speakers in the field.

Parents will learn:

- The law and your child's rights
- Tools and supports to use in the classroom
- IEP goal writing to help support inclusion
- Communication and behavior strategies
- The value of teaming
- Skill sets and communication strategies
- Tips and success stories
- How to create a portfolio about your child
- How to build a peer community support network

APPLY ONLINE AT
